

INFO PACK 2021

*A PERFORMANCE BASED
DANCE EXTENSION PROGRAM
FOR YOUTH*

ABOUT THE COMPANY

ALCHEMY DANCE COMPANY is a performance based company for ages 13 years and above and provides dancers with professional experience across a range of styles within the jazz genre. The company is an extension of a dancer's technical training and company members rehearse towards an annual season of 2-3 shows.

The 2021 company will rehearse on select dates during Term 3 dependant on full cast availability, as well as intensive holiday periods in the July and September school holidays. This includes a cast retreat (3 days/2 nights away).

Alchemy Dance Company are looking for committed and motivated dancers, however we know that unforeseen obligations may clash with rehearsals. If we are notified in advance that dancers are unable to attend a certain rehearsal, we will do our best to accomodate - however missing crucial parts of a routine may result in the cast member not being in that specific piece for the show.
